INTERESTED IN VOLUNTEERING?

We would love to hear from you!

Volunteers offer their gift of time, inspire hopes & dreams, enjoy helping others, encourage teamwork, are selfless, generous & kind, extend a helping hand & make a world of difference. Mount Olivet Careview Homes warmly welcomes volunteers to help in a multitude of ways! We have many opportunities for you to share your time, your smiles, your hands and your hearts!

Flexible scheduling and hours that works for you!

Here are a few of the many areas where volunteers can contribute:

Bring Your Pet

We have several amazing family-pet dogs who frequent our building for visits. They are scheduled on the calendar or advertised through flyers and calendars. Staff and volunteers are welcome to bring their well-behaved pets in as well. All pets must be well-mannered and we must have a record of their current vaccinations on file with the Volunteer Manager.

Spa Time/Manicures

Our residents love and deserve to be pampered! Each floor in our facility hosts Spa/Manicure time each week (schedules vary), and volunteers are needed to chat with the residents while offering hand massages and manicures. No experience necessary! This is a highlight of many residents' weeks, and we'd love for you to be a part of it.

Resident Transport

Many events require getting our residents to and from programming. Every Monday, special entertainment is offered for all in the Lund Chapel, Tuesdays we host Catholic Rosary or Mass, and Wednesday mornings there is a worship service for all. Enjoy the musical entertainment, magic shows, comedy acts and worship services yourself as well. Please come help us transport and get to know our residents!

Gift Shop Attendant

Happy-faced point of sales individuals are appreciated by our residents, their families and our staff in the Mount Olivet Careview Homes Gift Shop! All proceeds stay right here at Mount Olivet Homes. No retail experience is needed.

Reception Desk

Would you enjoy being a volunteer greeter at our Careview reception desk? We are looking for volunteers to greet guests, answer basic questions, help them find room numbers of loved ones, and be the first face they see as they enter our facility.

For more information about these and many other volunteer opportunities please contact:

Elevator Renovation Update

Thank you for your understanding as we work hard to upgrade and modernize all of our elevators. We're excited to share that the Careview elevators are now fully updated, and progress is well underway on the south elevator at Mount Olivet Home. Once that's completed, we'll move on to the elevator near the reception desk. These upgrades include brand-new mechanical equipment for smoother, more reliable operation, as well as refreshed interiors featuring updated wall coverings and flooring. Our partners at All City Elevator anticipate completing all the upgrades by the end of February. We truly appreciate your patience and support as we make these improvements to better serve you!

South to North Dining Experiences

On Tuesday, January 21, the outside temperature plummeted well below zero, forcing the cancellation of a planned dining outing. However, that didn't stop some of our Careview residents from enjoying a delightful culinary experience. They savored delicious Mexican cuisine, accompanied by lively Mexican music, which brought warmth and cheer to their lunchtime. The next day, Wednesday, January 22, residents of Mount Olivet Home were treated to an "up north" dining experience. The meal featured hearty wild rice soup, freshly baked sourdough bread, and a delectable wild berry crisp for dessert. Despite the frigid weather outside, everyone enjoyed a cozy and festive atmosphere, filled with good food and great company. It was a wonderful way to bring people together without having to brave the cold!
