To All Our Christmas Volunteers –

A Big

Thank  
You

*The Christmas Season was made more special for all of our residents as a result of the many hours put in by volunteers.*

Thank you to the employees of Ecolab Corporation for taking the time out of their busy day to volunteer and get the more than 20 trees around Mount Olivet Careview Home decorated for Christmas. This was their 2nd year volunteering, and we plan to see them back again next year.

Thank you to the employees of Accra Home Care for putting together over 100 luminaries which were placed outside around the Mount Olivet Careview Home building on Christmas Eve and for staying after they made the luminaries to play Christmas BINGO with our residents.

Thank you to the staff at Home Instead – Senior Home Care for collecting gifts through a gift drive for some of our residents who face the holidays alone.

Finally, a big thank you to our regular group of volunteers who assisted at all the parties, provided escort service to the special events, staffed the reception desk at the Careview door and so much more. Your time and service are so greatly appreciated.

## Reindeer and Santa Visits

Santa returned to Mount Olivet Careview Home again on Thursday December 12th and brought 2 of his reindeer as well. Thank you to DMDK Reindeer from Dassel, Minnesota for bringing in the reindeer for Santa. Residents, family members and staff were able to learn about reindeer, have a picture taken with Santa, and further celebrate the joy of the season. *A special thank you to our Administrator Tim Hokanson for taking time out of his day to play Santa.*

## Employee Christmas Party

Mount Olivet Careview Home staff enjoyed gathering to celebrate the season on Thursday December 19th. In addition to the party, it was Ugly Sweater Day and staff were able to have some fun wearing those sweaters which only come out of the closet once a year.
