Staff Recognition

Mount Olivet Careview Home acknowledged the wonderful team of Nursing Assistants during National Certified Nursing Assistant Week which was celebrated June 13th – June 19th. Our nursing assistants and trained medication aides enjoyed a special lunch on June 13th and were given a gift in appreciation of the wonderful work they do caring for our residents. *Mount Olivet Careview Home is blessed to have such a dedicated team of nursing assistants who work hard every day providing outstanding care and enhancing the quality of life for all our residents.*

Trumpet Concert

Residents at both Mount Olivet Home and Mount Olivet Careview Home were able to enjoy a trumpet concert provided by Evan W a student from Mounds Park Academy as a part of his senior service project. Evan was a part of the 2023-24 Minnesota All-State Symphony Band and he has been the lead trumpet for his school's band and jazz ensemble.

Thank you, Evan, for sharing your talent with the residents!

Butterfly Release

During the month of May, residents enjoyed watching the lifecycle of butterflies growing from a caterpillar to chrysalis to butterfly. Butterfly cages were located on the units throughout the building.

On Wednesday, June 6th over 70 residents and staff gathered on the Jarcho Careview 2nd floor patio to release the butterflies. Pastor Dale and music therapist Rachel provided words and songs to reflect on the symbolism that butterflies represent for the changes in our lives.

It was a beautiful sunny afternoon as 35 butterflies were released among those who were gathered.

Twins GAME

Mount Olivet Home residents enjoyed an outing to the Minnesota Twins game on Wednesday, June 12th. They watched the Twins win 17 to 9 over the Colorado Rockies. The Twins had 24 hits in the game so there was plenty to cheer about. A brief rain delay didn't dampen the spirit of those attending the game.

St Croix River Boat Cruise

Residents from both Mount Olivet Home and Mount Olivet Careview Home enjoyed spending time on a St. Croix River Boat Cruise out of Stillwater. Careview residents were on the river June 18th and June 25th. Mount Olivet Home residents were on the boat on June 24th. Additional river cruises will be coming up in July. Mount Olivet Careview Home can offer these special outings to our residents because of money raised at the Mount Olivet Gala which was held in May. A special "Fund a Need" donation site was set up to raise funds to allow residents to have the opportunities to enjoy the cruise, Twins game, the MN State Fair and many more outings. These special outings enhance the lives of our residents who appreciate the many outings provided.
