During the month of October, Mount Olivet Careview Home residents had the opportunity to enjoy the season with outings to the Minnesota Landscape Arboretum in Chanhassen, to enjoy the beautiful fall colors, and to the Woodlake Nature Center in Richfield for the opportunity to make apple cider. The October weather was perfect for the residents to have the opportunity to get out and enjoy the fall season.

Pumpkin Decorating

Adopt a Grandparent Program

On Monday, October 21st, a group of confirmation aged students from Mount Olivet Church who are a part of the Adopt a Grandparent Program came to join the residents in pumpkin decorating. Intergenerational programming is so important to the residents of Mount Olivet Careview Home. The young people visit monthly and spend time in 1:1 visits, playing games and doing crafts with the residents. Thank you to the young people who are a part of the Adopt a Grandparent Program and all you do for our residents.

Oktoberfest at Mount Olivet Careview Home

Mount Olivet Careview Home residents along with their family members and friends enjoyed an Oktoberfest party during the afternoon of October 17th. All those who gathered enjoyed pretzels with beer cheese sauce, apple strudel, cinnamon ice cream, and sparkling apple cider. Accordion music provided by Mike O. really helped to set the mood for a true Oktoberfest Celebration. Many thanks to the Therapeutic Recreation Department staff and the volunteers for hosting such a wonderful party!

Blessing of the Animals

Mount Olivet Careview Home celebrated the feast of St. Francis of Assisi on Wednesday, October 9th at the 10am Worship Service in the Lund Chapel. St. Francis of Assisi is the patron saint of animals and ecology and the feast day is October 6. Staff and family members were invited to bring in their pets for a special blessing in recognizing this long standing tradition.

Mount Olivet Home Resident Council Makes Donation

Each year the Mount Olivet Home Resident Council through fundraising efforts makes a donation to an organization which they choose as a group. This past year, the council was able to raise money through the Valentine's Day balloon and flower sale, and a bake sale allowing them to donate to 2 animal rescue organizations.

\$300 dollars were raised allowing the council to give Underdog Rescue and Furball Farm Cat Sanctuary each \$150.

Thank you to the Mount Olivet Home Resident Council for your efforts!

BINGO FRIDAY

A big thank you to the 4th grade students from Carondolet Catholic School in southwest Minneapolis who came to play BINGO with the Mount Olivet Careview Home Residents on Friday afternoon October 11. The BINGO halls were set up in the Lund Chapel and the Mount Olivet Home Dining Room. The residents and students had a wonderful time together. Intergenerational programming is just one way for the students and seniors to foster meaningful relationships.
